

## ESTATE ROUSSANNE

We treasure our mere  $\frac{3}{4}$  of an acre of estate Roussanne for the stunning varietal focus that is shown in the resulting fruit. The richness of our soil and its well-drained properties combine to produce a Roussanne of surprising, razor-sharp clarity and definition that is not often seen in the varietal.

Our Estate Roussanne has become one of the most acclaimed examples of the varietal in our region. Generally know for mild acidity, our estate grown Roussanne has an unique acid line that compliments the honeyed, waxy, and tropical elements wonderfully. Pair with creamy pastas, grilled fruit, and brie.
