

## ESTATE SYRAH

Our 4.6 acre parcel of Tablas clone Syrah is planted on the highest hill on our estate—the site of an ancient riverbank. Diurnally nurtured and balanced with warm days and cool nights, it is an inky mirror to this climate, showing complex spice tones in great alignment with pleasing dark berry notes.

Rhône aficionado Jeb Dunnuck tastes a barrel sample of this wine each year, and he noted about this vintage: “Kirsch, blackberries, peppery herbs, and leather all emerge from the 2022 Syrah Estate, a savory, meaty Hermitage-like Syrah that’s medium to full-bodied, nicely balanced, and lengthy. It should easily be outstanding, if not a touch more.”
