

ESTATE ROUSSANNE

We treasure our mere $\frac{3}{4}$ of an acre of estate Roussanne for the stunning varietal focus that is shown in the resulting fruit. The richness of our soil and its well-drained properties combine to produce a Roussanne of surprising, razor-sharp clarity and definition that is not often seen in the varietal.

Our Estate Roussanne remains one of the region's most expressive examples of the varietal. The 2022 vintage shows aromas of honeysuckle, baked apple, and almond, with a rich palate of pear, apricot, and subtle spice. Bright acidity lifts the texture, pairing beautifully with roast chicken, creamy risottos, or soft cheeses.
