

## CHÂTEAU DUPLANTIER

Our signature red blend—now in its 25th vintage—is a truly unique spin on a classic GSM blend. The addition of Petite Sirah adds a fleshy blue fruit element while bolstering ageability and structure without sacrificing the harmony of a classic Rhône red blend.

Aromas of dark plum, roasted fig, and black olive mingle with notes of cracked pepper, flint, and savory herbs. On the palate, it's broad and concentrated, with brambly black fruit, grilled meat, and bittersweet cocoa unfolding over a framework of firm yet polished tannins. The long finish shows blackberry and graphite notes alongside spicy elements of tobacco leaf and anise.
