

NOLAN RANCH CARIGNANE

Nolan Ranch is located in the newly-formed Alisos Canyon AVA, in between the Santa Ynez Valley and the Santa Maria Valley regions. With its well-drained sand and loam soils, this diverse, 100-acre property is a perfect site for growing elegant Rhone varietals such as Carignane.

145 *release date:* dec. 2025 *ageability:* 5+ years *retail price:* \$58

Our 100% Carignane from the beautiful Nolan Ranch Vineyard shows vivid aromatics of red cherry, dried hibiscus, and a touch of allspice. The palate is energetic and medium-bodied, carrying flavors of raspberry, tart plum, and a gentle whisper of leather. Its lively acidity and clean, polished finish make this vintage wonderfully food-friendly, pairing effortlessly with roasted meats, tomato-based dishes, and hearty seasonal vegetables.
